# SEAACA - PURPOSE

1.The South East Asia Athletics Coaches Association (SEAACA) will be the regional partner of the Global Athletics Coaches Association (GACA).

2.The SEAACA will act as the guardians of the Area Coaches' Community to provide for its registered members the support needed to develop their coaching skills and perform the profession as coaches in their respective countries to their utmost best.

3.The SEAACA will facilitate and contribute in Area Coaches' Development. The SEAACA will work closely with Asian Athletics Association and ADC Jakarta in the development of athletics in the region as an extended unit of support.

# SEAACA - RECRUITMENT

This registration form is to gather basic information and your interest in which category of memberships.

Please refer to this description for the membership category. DO READ this description before you make a choice on the "Membership Category" section.

## Category A – National Athletics Federations

- An individual assigned to be part of the national body, who is engaged, either wholly or partly, in the development and delivery of national programme for performance and/or coaching education systems.

## Category B – Organisations

- An individual who is part of university, school, institution, foundation, council or any other organisation, which is engaged, either wholly or partly, in preparing individuals for the profession of coaching and usually qualifies or represents coaches and involved in developing sports/athletics performance for the organisation.

## Category C – Individuals

- An individual, whose occupation is preparing sport coaches for their chosen career and/or provide coaching services at grassroots level with a valid and recognized coaching license.
